

# **CSE221: Algorithms**

## **Lab 08**

### **Spring 2025**

#### **Assignment 08:**

**codeforces Invitation Link:**

<https://codeforces.com/contestInvitation/9403a44572ab6db2c8eff6f2d3dad47283a1a657>

Alternative Link: <https://codeforces.com/contests/607805> [The alternative link will only work after you have successfully registered using the first link.]

Deadline: 11:59pm, Thursday, May 15, 2025

**Notice the unusual deadline.**

**No submission will be considered after the deadline ends.**

#### **Learning Outcome:**

After completing the lab and the assignment, the students should be able to learn how to implement Disjoint Set Union (DSU) and Minimum

Spanning Tree (MST).
