CSE221: Algorithms
Lab 04
Spring 2025

Assignment 04:

codeforces Invitation Link:

https://codeforces.com/contestInvitation/562293e7feceb9e5a929dda246cb05abe59f0cb1

Alternative Link: https://codeforces.com/contests/601275 [The alternative link will only work after you have successfully registered using the first link.]

Deadline: 11:59 pm, April 13, 2025
No submission will be considered after the deadline ends.

Learning Outcome:

In this lab, we will learn how to construct graphs using both **adjacency list** and **adjacency matrix** representations. To solve the problems of this lab assignment, we need the Data Structure knowledge we have

learned in the previous courses.
